

The system that has failed consistently needs to be accountable to **Māori**

We would like to use our own models to Report ACCORDING TO THE NEEDS OF WHĀNAU!!

ACCOUNTABILITY

WE NEED to SEE potential

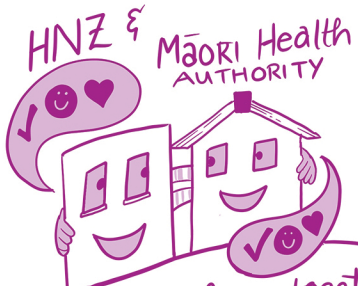

not what is going wrong with you But what could be right with you!!

WHĀNAU

When you enable community you get much better value for your dollar than going through a health distribution system

LOCALISED MODELS & APPROACHES

NEED to live together COMFORTABLY DRAWING on EACH OTHER

CAPABILITY

DEMONSTRATING GOOD RESULTS that can't be CONTESTED
